DIRECTIVE 14-EX-3

TO: ALL INSURERS WRITING HOMEOWNERS, PRIVATE PASSENGER AUTOMOBILE AND WORKERS COMPENSATION INSURANCE IN THE STATE OF GEORGIA

FROM: RALPH T. HUDGENS
INSURANCE AND SAFETY FIRE COMMISSIONER

DATE: MAY 20, 2014

RE: RATING EXAMPLES

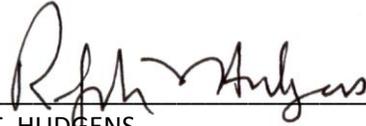

In prior directives, the department required carriers writing the above mentioned lines of insurance to go to our departmental portal to complete rating examples. It came to my attention that this is not being done on a consistent basis. Effective immediately, all carriers writing Homeowners, Private Passenger Automobile (PPA) and Workers Compensation insurance shall go to the department portal and upload the correct rates. The rates shall also be updated each time a filing has been processed by the Department. The link to the department's company portal site is:

<https://www.oci.ga.gov/CompanyPortal/>

Failure to comply will result in administrative penalties. Please note the PPA rating example was updated slightly to reflect a new vehicle age and model year.

NOTE: If you do not have a login credential for the Company Portal, you will need to obtain one by contacting your Account Administrator(s). An Account Administrator will need to create an account for you and assign you permissions to access the Company Portal. Your Account Administrator will email you your login information. Follow instructions in the email to gain access to the Company Portal.

Any questions which cannot be addressed by your Account Administrator concerning the departmental portal login credentials should be directed to Bruce Williamson at 404-657-9205 or at bwilliamson@oci.ga.gov. Any other questions concerning the rating examples should be directed to the Division of Insurance Product Review at 404-656-6876.
