DIRECTIVE 16-EX-3

TO: All Insurers Writing Fire Loss Coverage in this State

FROM: Ralph T. Hudgens
Insurance and Safety Fire Commissioner

DATE: July 1, 2016

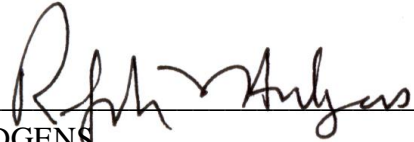

RE: Fire Loss Quarterly Filing Requirement

Pursuant to O.C.G.A. Section 25-2-32, all insurers writing fire loss coverage in this state are required to submit quarterly to the Commissioner a report stating all of the fire losses sustained by them, including pertinent data as may be required. However, it has come to my attention that some insurers may not be properly complying with this requirement.

In order to support carriers' compliance efforts, my staff has established a web portal where the required information will now be reported. Effective immediately, all insurers writing fire loss coverage in this state shall begin filing the required quarterly reports in the Georgia Company Portal under the drop down link "Fire Losses"

If you are new to the Georgia Company Portal, please contact your Company Portal Administrator to gain access. Instructions on how to find your Company Portal Administrator are found on the main page of the Georgia Company Portal at the following link: <https://www.oci.ga.gov/CompanyPortal/>

If have any questions concerning this Directive, please contact Nancy Blair at NBlair@sfm.ga.gov or call (404) 656-5455.
