SAFETY FIRE STAKEHOLDER ADVISORY COMMITTEE

In my campaign for Insurance and Safety Fire Commissioner, I made a personal commitment to the people of Georgia to bring a new era of transparency to the Department of Insurance (DOI). This goal can only be accomplished by having as many stakeholders as practical at the table when issues are being discussed at the Department.

An organizational meeting has been scheduled for Thursday, August 11, 2011, at 10:00 a.m. The meeting will be held at the Hearing Room located on the 7th Floor West Tower, Floyd Building, 2 Martin Luther King, Jr. Drive, Atlanta, Georgia 30334.

The meeting is open to the public.

Sincerely,

Ralph T. Hudgens
Insurance and Safety Fire Commissioner
