RENEWAL APPLICATIONS AFFIDAVIT

This form must be complete by an officer of the business.

I understand and authorize the State Fire Marshal Division to verify all documentation submitted by me for these renewal applicant(s). I hereby certify that I am familiar with the Georgia Statutes and the Georgia State Fire Marshal Rules & Regulations relating to these types of renewal applications. And all statements made are to best of my knowledge true and correct.

I also understand that any false statements or material misrepresentations on any application may be cause for denial, suspension or revocation of any license or permit requested.

1. I have submitted a current list of applicants name and current home addresses on company letterhead to the State Fire Marshals office for which the company is renewing.
2. Upon request, I will, provide a current digital photo of each technician renewal.
3. My current service tags, labels and collars, which are applicable to the application(s) requested, are on file with the State Fire Marshal Division.
4. If I have reprinted my tags, labels or collars since last renewal year, I will email an electronic color photo of each to the State Fire Marshal Office before renewal.
5. My company is current with the Secretary of States Corporation Division registration; if applicable by rules and regulation.
6. I have provided on company letterhead a list of companies that I subcontract any hydro-static testing service if applicable under the rules and regulation. I certify that the attached list of employees requesting a renewal of their license or permit are employees of this company and have met the requirements of the current rules and regulations for these renewals.
7. I have provided on business letterhead an outline of any changes from last year to this year regarding all applications. My letter a request includes the following renewals.

If you are not renewing industry type or duties, please provide an explanation in with your company letter.
