A JOINT MEETING OF THE HEALTH INSURANCE AND MEDICAL PROVIDER STAKEHOLDER ADVISORY COMMITTEE

In my campaign for Insurance and Safety Fire Commissioner, I made a personal commitment to the people of Georgia to bring a new era of transparency to the Department of Insurance (DOI). This goal can only be accomplished by having as many stakeholders as practical at the table when issues are being discussed at the Department.

A joint organizational meeting has been scheduled for Wednesday, August 10, 2011, at 10:00 a.m. The meeting will be held at the State Personnel Administration Board Room located at 512 West Tower, Floyd Building, 2 Martin Luther King, Jr. Drive, Atlanta, Georgia 30334.

The meeting is open to the public.

Sincerely,

Ralph T. Hudgens
Insurance and Safety Fire Commissioner
